visits

Are you looking for a unique place on Mont des Arts for an evening event? An enchanting place with a fascinating past? Then the Coudenberg Palace is “the place to be”.

Let your imagination guide you and enter the unexpected world of former Brussels. Discover the remaining of what was once the most beautiful palace in Europe. Wander under the Place Royal, in a street that was once one of the oldest axis in the area, and whose origins date back to the Middle Ages.
